The WELL

In addition to regularly donating non-perishable food and personal care, household, and baby items, monetary donations are welcome and help to pay The WELL's operating expenses. The WELL does not need egg cartons at this time. The WELL staff and board members are grateful for all Calvary members who help those in need in our community.

Anyone wishing to order flowers for Easter Sunday, April 1, must have their order and payment in **TODAY**. Order forms can be found in the Narthex and at the information center.

Lilies are \$9.25

4 inch Mums are \$5.00

Tulips are \$8.50

Hyacinths are \$8.50

Baked or Boiled Pot Pie Supper

Pot Pie, baked and boiled is on schedule for next Saturday, March 17. No, it will not be green! Many of you have already said "yes" when asked to help. Thanks so much. We need a few more volunteers and desserts for this event. Please bring your dessert either Friday or Saturday AM.

We will be serving from 4:30 - 6:30 PM. Hopefully, we will have enough help that we can take turns eating with our friends and family. Many hands will make the job easier.

The Trinity

Just like the leaves
on each shamrock I see,
there are three parts
to the Holy Trinity.

First is God the Father,
then Jesus, His only Son,
and the Holy Spirit
together as One.

To
God
be the
GLORY

Great Things He Hath Done!

An UMCOR Story ~ Making a Difference, Saving Lives in Sudan

By Barbara Dunlap - Berg

East Darfur State, Sudan (UMCOR) - Until September 2017, Mariam, a mother of nine and an internally displaced person (IDP) who walked miles to get water from an open, hand-dug well. Even as she trekked long distances, she knew the water was probably contaminated and might cause diarrhea and other illnesses. But she had no choice.

“I spent long hours to get water that is not enough for the family,” she recalled.

Then the United Methodist Committee on Relief, with funding from the Office of U.S. Foreign Disaster Assistance, worked with Water and Sanitation for Health (WASH) to rehabilitate 10 water hand pumps in the Khazan Jadeed region, where Mariam lives.

In May 2017, UMCOR, implemented a one-year program in the East Darfur State. The project’s implementation coincided with an outbreak of Acute Watery Diarrhea (AWD) in the area in June 2017. The epidemic reached its peak that month, with 2,000 cases reported.

At the onset of the outbreak, UMCOR responded by selecting and training 10 community-based hygienists to disseminate hygiene-awareness messages, support chlorination of water at the sources and organize sanitation cleanup campaigns. Ten latrines were constructed at the AWD isolation center at Khazan Jadeed.

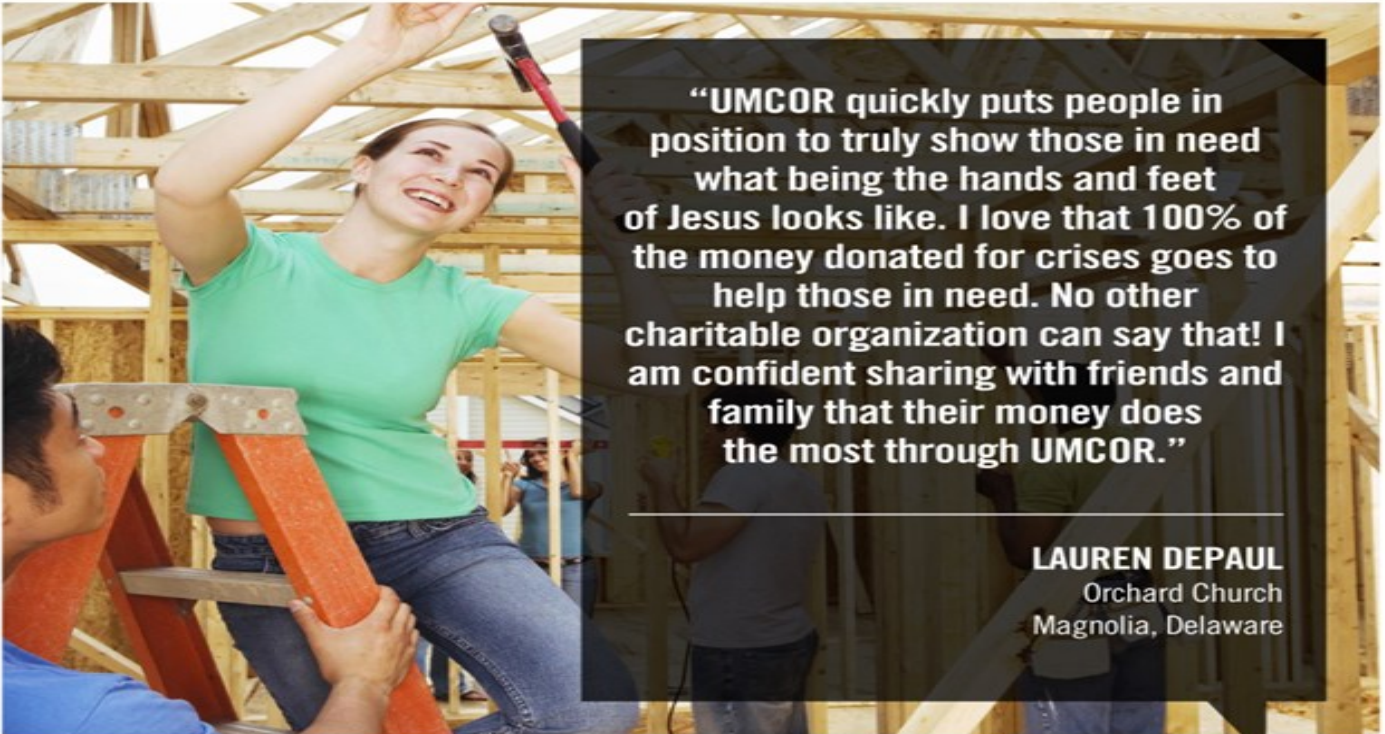

As part of hygiene awareness, UMCOR regularly conducts jerrycans (water transporting containers) cleanup campaigns at water sources to improve environmental sanitation and reduce the causes of infection related to water-borne diseases.

While 198 new cases of AWD infection were reported between June 24 and July 27, 2017, by early August, no cases were reported. Thanks to UMCOR and its partner organizations in Sudan.

“UMCOR had a constructive effort in reducing the spread of AWD in the area,” a local hospital doctor said. “The patients at the AWD center used to defecate in the open spaces before construction of latrines, which diminished the spread of the disease.”

Mariam is one of many internally displaced persons whose lives have changed dramatically, thanks to community-based hygiene education, latrines construction, and improved water sources supported by UMCOR.

“I now get safe and sufficient water,” she said.

“UMCOR quickly puts people in position to truly show those in need what being the hands and feet of Jesus looks like. I love that 100% of the money donated for crises goes to help those in need. No other charitable organization can say that! I am confident sharing with friends and family that their money does the most through UMCOR.”

“This is the Sunday that we give to the operating cost of UMCOR, the best nonprofit emergency response organization in the world. Having volunteered many times at UMCOR, I can say without hesitation this is the most efficiently run organization of its kind.”
